

Open Design Engine - Bug # 259: Editing As The Same User In Multiple Browser Gives An Error

Status:	Closed	Priority:	Low
Author:	Jeremy Wright	Category:	
Created:	07/17/2014	Assignee:	
Updated:	07/29/2014	Due date:	
Subject:	Editing As The Same User In Multiple Browser Gives An Error		
Description			
<p>I'm not positive if this is really an error, but if I edit the same issue from both Firefox and Chrome I get an error, even if I'm logged in as the same user on each browser. I'm logging this more just to make sure. Feel free to reject.</p> <p>!ODE_Simultaneous_Edits.png!</p>			

History

- Target version set to v0.2.1 - Public Beta Enhancements

07/29/2014 07:22 pm - Christopher Sigman

This is actually a feature. Regardless of who made a change, if it's past the change that you submitted your edit as the ancestor of, it'll throw an error like that.
