

Open Design Engine - Feature # 18: Configure installer to use ODE.net's settings for defaults

Status:	New	Priority:	Normal
Author:	J. Simmons	Category:	
Created:	04/08/2011	Assignee:	
Updated:	11/07/2013	Due date:	
Subject:	Configure installer to use ODE.net's settings for defaults		
Description			
While setting up http://opendesignengine.net , a number of default settings were changed. It would be nice if the shipping code for ODE installed with these new defaults.			

History

05/12/2011 03:26 pm - J. Simmons

- Target version changed from v0.2 - Public Beta to Under consideration

11/07/2013 03:12 pm - J. Simmons

- Subject changed from Configure installer to use ODE.net's settings for defaults to Configure installer to use ODE.net's settings for defaults

- Estimated time set to 4.00

Shouldn't take too long, but not quite ready to make this a priority.
