

Open Design Engine - Bug # 92: Clean up capistrano deploy script

Status:	New	Priority:	Normal
Author:	J. Simmons	Category:	
Created:	11/18/2012	Assignee:	
Updated:	12/11/2012	Due date:	
Subject:	Clean up capistrano deploy script		
Description			
<p>During the release over v0.2.0, we noticed that the deploy script has a few bugs in it such as</p> <ul style="list-style-type: none">- not removing old releases- sub-optimal handling of config files- error with migration logging <p>We should address these issues and just in general tighten up the deployment script.</p>
