

## Open Design Engine - Feature # 189: Implement a "karma" system

<b>Status:</b>	New	<b>Priority:</b>	Normal
<b>Author:</b>	J. Simmons	<b>Category:</b>	
<b>Created:</b>	09/18/2013	<b>Assignee:</b>	
<b>Updated:</b>	09/18/2013	<b>Due date:</b>	
<b>Subject:</b>	Implement a "karma" system		
<b>Description</b>			
Several popular sites (slashdot, reddit, etc) have a "karma" system to encourage high quality submissions from users (it is a kind of light weight game-ification). Interestingly, DARPA's <a href="#">VehicleForge</a> apparently has a karma system.
