

Open Design Engine - Bug # 256: Unchecking All Boxes While Creating A Project Results In NoMethodError

Status:	Closed	Priority:	Normal
Author:	Jeremy Wright	Category:	
Created:	07/14/2014	Assignee:	
Updated:	09/02/2014	Due date:	
Subject:	Unchecking All Boxes While Creating A Project Results In NoMethodError		
Description			
It seems like ODE should handle this gracefully even though nobody should ever do it. This has been replicated in Firefox 30.0 and Chrome 35.0.1916.153 on Ubuntu 14.04.
