| Subject: | Add embedded video support to wiki | | |
| Description | | | |
| Take a look at this plugin It could be a good start, but we should expand it to support other hosting services (like vimeo) and locally hosted videos. | | | |

History

- Status changed from New to In Progress
- % Done changed from 0 to 30

Youtube plugin in svn and installed on server. (Little Lines)

01/06/2012 02:07 am - Admin Administrator

- % Done changed from 30 to 50

Vimeo support added by Littlelines. This just leaves the question of supporting locally uploaded videos.
