

Open Design Engine - Feature # 15: Make project homepage more dynamic

Status:	New	Priority:	Normal
Author:	J. Simmons	Category:	
Created:	04/08/2011	Assignee:	
Updated:	05/12/2011	Due date:	
Subject:	Make project homepage more dynamic		
Description			
Project "home page" should be wiki-like as well to let project owners "sell" their projects, including posting rich media (videos, pics, etc); More like OpenRocket's home page than its sourceforge page - think public face of the project			

History

05/12/2011 03:19 pm - J. Simmons

- Target version changed from v0.2 - Public Beta to v0.3 - Sustainability Enhancements
