Updated:	07/30/2019	**Due date:**	
Subject:	Install and begin usage of Redmine CMS Plugin		

Description

The plugin (http://www.redmine.org/plugins/cms) may be very useful for adding additional information that would require writing a custom plugin at the moment in a much easier manner.

History

07/22/2013 09:46 am - Jeremy Wright

What type(s) of "additional information"?

11/07/2013 03:55 pm - J. Simmons

- Estimated time set to 8.00

Estimating for first pass at this work.

07/30/2019 05:42 am - Emily Brown

Very nicely you described here how to install and begin usage of Redmine CMS Plugin. It is also helpful information for IT students of Dissertation Help in UK.

Emily,
Being as a dissertation tutor offer "dissertation service UK" maintain standard quality of work at Dissertation Help.
