Open Design Engine - Bug # 46: Disable ability to make projects private

Status:	Resolved	**Priority:**	Normal
Author:	J. Simmons	**Category:**	
Created:	02/10/2012	**Assignee:**	Kevin Bouwkamp
Updated:	11/18/2012	**Due date:**	
Subject:	Disable ability to make projects private		

Description

During project creation or editing, users can un-check the "Public" field and hide their projects. This needs to be removed before the beta release so all projects are public.

History

02/12/2012 05:32 pm - J. Simmons

I have asked the Redmine support forums about this - http://www.redmine.org/boards/2/topics/28938

06/14/2012 03:24 pm - J. Simmons

- Assignee set to Matthew Sears

09/28/2012 09:10 am - Kevin Bouwkamp

- Status changed from New to In Progress
- Assignee changed from Matthew Sears to Kevin Bouwkamp
- % Done changed from 0 to 100
- Estimated time set to 10.00

Finished implementing this bugfix with revisions 51 & 52. Will wait until tested on production before marking as complete.

FYI - You must migrate the database after pulling this new code

11/18/2012 01:24 pm - J. Simmons

- Status changed from In Progress to Resolved

Patch is live on production server, works as required. All users are now prevented from creating private projects.
