Open Design Engine - Feature # 14: Add support to showcase "featured projects" on the site homepage

Status:	New	**Priority:**	Normal
Author:	J. Simmons	**Category:**	
Created:	04/08/2011	**Assignee:**	
Updated:	02/10/2012	**Due date:**	
Subject:	Add support to showcase "featured projects" on the site homepage		

Description

Site level homepage should highlight best hosted projects (like wikipedia does with featured articles?)

History

05/12/2011 03:19 pm - J. Simmons

- Target version changed from v0.2 - Public Beta to v0.3 - Sustainability Enhancements

02/10/2012 05:12 am - J. Simmons

CERN's OHWR has a featured project plugin (https://github.com/splendeo/featured_projects).
